THEFT OF COPPER IN SHERIDAN

On the afternoon of June 5, 2022, the Sheridan Police Department received a report of the theft of a trailer containing a large amount of copper construction materials from a construction site on the Sheridan College campus. The offender(s) force entry into the secure jobsite by cutting locks on a gate.

Upon arrival, it was determined that a 26 foot double axle enclosed trailer belonging to Powder River Heating and Cooling had been stolen in its entirety. The trailer bearing WY 3-2848 and a large logo of the business on the side. The trailer was recovered on the morning of June 6, 2022. The copper, with an estimated value of at least \$50,000, was not in the trailer

Anyone with information regarding this crime may contact Lieutenant Hill at the Sheridan Police Department (307-672-2413).
