

A large, faint green circular emblem is centered in the background. It is divided into four quadrants by a white cross. The top-left quadrant contains a white icon of a hard hat and a blueprint. The top-right quadrant contains a white icon of a pine tree and a picnic table. The bottom-left quadrant contains a white icon of a person walking. The bottom-right quadrant contains a white icon of a mountain peak.

ORDINANCE 2244, ADOPTION OF ICC 2021 BUILDING CODES

Purpose

- Staff recommends Mayor and City Council approve Ordinance 2244, the adoption of the 2021 International Code Council Building Code Family
- On September 22, 2021 the State of WY adopted the 2021 International Codes. The following codes apply:
 - 2021 International Fire Code
 - 2021 International Building Code
 - 2021 International Fuel & Gas Code
 - 2021 International Mechanical Code
 - 2021 International Existing Building Code and the current edition of the National Electrical Code

Key Points

- The City of Sheridan has six months from the date of the State of Wyoming's adoption to adopt the same codes to retain "Home Rule".
- "Home Rule" allows the City of Sheridan Building Department to review and approve building plans and perform all necessary inspections.
- This allows the City of Sheridan to provide a much higher quality of service than the State of Wyoming would be able to provide.
