

Sheridan Police Department

I have read and understand the Deer Management Plan adopted by the City of Sheridan and the Wyoming Game and Fish Department. I will abide by the rules and regulations set forth by the City of Sheridan and the Wyoming Game and Fish Commission.

I also agree to report any success to the Sheridan Police Department so that the data can be used to determine the success of this plan. **YOU MUST TURN IN YOUR HARVEST REPORTS EVEN IF YOU DID NOT HARVEST A DEER OR HUNT.** Hunters that do not turn in their harvest reports back into the Sheridan Police Department will result in the denial of permission to hunt according to this management plan the following year.

I understand that there have been slight modifications from previous year's regulations as administered by the Sheridan Police Department. First, on any city property where a walking path exists, I will not fire from or towards any such path. Additionally, I will make every attempt to recover any and all fired arrows, regardless of whether they strike an animal or are the result of a missed shot. Any arrows I fire that I do not recover will be reported to the Sheridan Police Department, which will include where the arrow was fired from, where the arrow was fired to, the type of arrow (including fletching colors) and the type of broad head used.
